GRIZZLY CUBS VICTORIOUS
OVER HEAVIER IDAHO TEAM

Montana Freshmen Win Third
Intercollegiate Game
by 27 to 7 Score

Displaying a speedy running attack and their usual brilliant passing, the Grizzly Cubs administered a decisive defeat of the ponderous Idaho frosh eleven on Dornblaser field Saturday. The score was 27 to 7. It was the Cubs' fourth consecutive victory, and greatly strengthens the claim that they are the champion yearling eleven of the northwest. Kelly, DeVeber and Sweet crossed the Idaho line for touchdowns, and Place kicked two field goals and two goals after touchdowns for the 27 points chalked up by the Cubs, while Idaho's lone touchdown was secured on four line bucks after they had brought the oval to the one-yard line on a series of line plunges combined with a forward pass.

Throughout the contest the Cub line proved a veritable stone wall against the savage assaults of the heavy Idaho backs. Idaho made only 79 yards from scrimmage to the Cubs' 240, and in the second half opened up a frantic forward-passing attack in an effort to cross the Cub goal. The Vandals completed 10 passes for a total gain of 138 yards, but could not pierce the stubborn Cub defense when the Montana goal was in danger.

Cubs at Their Best.

The entire Cub team was at its best, and the work of Place, DeVeber, Crimmins and Kelly was sensational. Place made gain after gain, twisting, squirming and ducking out of the hands of Idaho tacklers for short and long runs, and kicked two neat field goals. Crimmins intercepted Idaho passes and tore big holes in Idaho's massive line for his mates to go through. DeVeber's offensive and defensive work was one of the features of the game. He made one of the touchdowns after hooking a 40-yard pass from Kelly, and also pulled in a 25-yard heave from the Cub quarter for a good gain. Kelly, too, lived up to his reputation. The agile and hard-hitting quarterback carried the ball for long and short gains, and returned Hutchinson's punts in a sensational manner. He also pulled his hidden ball trick on a criss-cross and romped over the goal for the first touchdown of the game. The rest of the Cub machine performed almost equally well, and deserve all the credit given them. It is hard to find yearling linemen who are as good as Fletcher, Cogswell, Kain, Burrell and Levine, while Ritter at fullback played his usual stellar game and Sweet, at half, came through in customary form. EMPLOYMENT BUREAU
GETS JOBS FOR MEN

One Hundred and Twenty-Three Jobs
Offered to Students in
October

The Student Employment bureau, has offered 123 jobs to students during the month of October. Of these, 119 have been filled. Five have been permanent jobs. An average of eleven dollars per month has been earned by students working at odd jobs.

Lawton Beckwith, head of the Employment bureau, stated yesterday that a new system of reporting jobs has been put into effect. Under this system each student is given a work ticket on which he puts the total hours of work and the amount of money received. The ticket is then returned to Beckwith, who files it for future reference.

The number of students asking for work through the Student bureau has greatly decreased. According to Beckwith this is due to the fact that a number of students are now able to secure work without the aid of the Bureau and that a number of them have secured permanent jobs.

FOUR TEAMS OF GIRLS
ENTER D.A.V. CONTEST

Ten Teams to Sell Forget-Me-Nots for
Railway Fare to Game

Four teams of girls have already signed for the Forget-Me-Not day contest being sponsored by the D. A. V. in connection with the drive November 10. Ten teams of two girls each must sign before the contest is carried out, Grover Johnson, commander of the local chapter of the D. A. V., declared last night. According to present plans the forget-me-nots will be sold only by the University girls next Saturday.

The city of Missoula has been sectionized by the committee in charge of the drive, and one section will be allotted to each team entered in the contest. No team will be compelled to work in competition with another team except in the matter of the amount of money turned in at the end of the drive.

All of the chapters in the state are actively engaged in putting across the Forget-Me-Not day drive. The Bozeman chapter is following the same plan as the Missoula chapter. The Aggie co-eds will sell the little flowers on the streets of Bozeman. In commenting on this last night, State Commander Vivian A. Corby, who is a member of the local chapter, declared: "The race between the two chapters threatens to center down to a contest between the co-eds to see which group can do the most for the disabled men in attendance at the respective schools."

The contest to see which team of University girls can bring in the most money for the D. A. V.'s is open to every girl in school. Ten teams must be entered in order to insure the contest. The winning team will be awarded two tickets on the special train to Bozeman on November 17. All girls who wish to enter this contest are requested to hand their names either to Helen Newman, president of WSGA, or to Grover Johnson, commander of Garden City chapter No. 5 of the D. A. V.

The Kaimin for Friday will carry a full report regarding where to report to get the flowers which will be sold November 10. All the necessary instructions will be contained in this report.

OLD LIBRARY BUILDING
TO SOON BE COMPLETED

New Quarters for Law School Will
Probably Be Ready Late
This Month

The first floor of the old Library building will be ready for occupancy about the end of this month, said R. C. Hugenin of the maintenance department yesterday.

As soon as the first floor is finished the books from the basement will be moved to the book stacks across the west end and work will begin immediately on rejuvenating the basement.

Four classrooms and several offices for foreign language instructors will be built in the basement.

Besides the book stacks on the first floor there will be a large reading room on the east side. The reading room and corridor will have a cork floor like that in the reading room in the new library. A club room will occupy the center space and the office of the dean and other instructors will be on the west side next the book stacks.

A court room and small jury room complete in every detail will occupy part of the second floor, along with three class rooms. The space for spectators in the court room has been cut down to one bench.

Missionaries, Outplayed and
Outfought, Lose Hard
Game, 16-7

Coach Borleske's Whitman team was no match for the fighting Grizzlies and went down to a 16 to 7 defeat Saturday afternoon on Dornblaser field. The score of the game fails to show the supremacy of the Montana eleven. The Walla Walla outfit was outplayed and outfought in every department of the contest. The Grizzly victory placed them in the win column of the Northwest Conference standings, it being the first time that a Montana football team has ever won a conference game. Under the rip and grind of a persistent attack by the determined Varsity team, the Missionaries were helpless and were handed a very impressive mauling and thoroughly convinced the football followers of the Northwest that Montana has a football team.

Montana crossed the visitors' goal line twice and Captain Plummer kicked a field goal. Twice the Grizzlies were held for downs within a few yards from the goal. The Bruins made 271 yards yardage to their opponents' 52. The Whitman team's aerial proved worthless. They failed to complete a pass and only garnered one first down.

Grizzlies Open Strong

With the contest hardly started the Grizzlies had walked right down the field to the Whitman one-yard line, but a bad pass spoiled the chance. A few minutes later Montana had the ball on the visitors' 20-yard line. A series of line plunges brought a touchdown, Silvernale carrying the ball over. Plummer failed to convert the try for goal after the touchdown.

In the second period a running attack by Johnson and Plummer and some spectacular line plunges by Ilman put the ball within a few yards of the goal where the Whitman defense stiffened and held the Grizzlies for downs. Whitman punted on the first play and Montana took the ball in the middle of the field. A round of line plunges and an 18-yard pass, Silvernale to Griffin, placed the ball on the 21-yard line. Plummer dropped back and kicked a field goal. The half ended with Montana on the long end of a 9 to 0 score.

The third period was a trifle slow and the Grizzly team appeared to ease up. Late in the quarter Montana received the ball on the visitors' 20-yard line. Silvernale in carrying the ball was hit so hard that he fumbled, the ball bounced into the hands of Bartholomew who scampered across the goal line for the lone

NO ROOM FOR HOBOES
ON BOZEMAN SPECIAL

Railway Company Will Have Special
Officer to Take Check on
Tickets

Bumming on the special train to Bozeman will be impossible this year according to Bill Aho, business manager of the ASUM. "I have received information from railway officials that there will be a special policeman on the train who will make a careful check of passengers, allowing only those to ride who have tickets or passes," said Aho. This check will be made on the return trip also. Bums will be put off the train somewhere between Clinton and Bearmouth.

No stopovers will be allowed for holders of tickets or passes on the \$10.35 rate.

Tickets are selling well with the women, but the men, so far, have been slow to buy them. The special is expected to carry a record breaking crowd of University supporters, including many alumni. "We believe there will be 400 people on the train. Two years ago there were but 190," said Aho. "One hundred and twenty-five tickets must be sold by the fourteenth of the month. Everyone expecting to take the trip should buy his ticket without delay to insure the chartering of the train."

Breaking the Ice

MONTANA'S victory over Whitman Saturday gave the University its first victory in a conference game. The Grizzlies defeated Whitman in 1916 and the University of Washington in 1920, but neither team was in the Northwest conference at the time of the respective games. Montana also defeated Northwest conference teams before she was admitted to the conference, but Saturday's game was the first regular conference game to be won by the University.

Montana football followers believe that this year marks the turning of the tide in the University's gridiron career. Montana has had good teams in the past few years, but has always come out on the short end of the score in conference games. Now that we have broken the ice we think we have the men on

the Varsity and Frosh squads that will give us a favorable balance of trade pretty regularly in contests with Northwest teams.

Good Yelling

ORGANIZED yelling under the leadership of Yell King Gid Boldt at the Whitman game last Saturday, was the best heard on the Montana campus in years. The support evidenced at that contest was no doubt one of the big factors in helping the Grizzlies to take the scalp of a conference team.

The ROTC battalion, which marched up the cinder path and took its place in the bleachers, was the noisiest section in the stands.

Thanks are due Major Smith of the local unit for his efforts in making possible the appearance of the cadets in a body. We believe that the ROTC could make more frequent appearances at school contests, and in their noisy way help build up student spirit in an appreciable way.

A STRANGER in Missoula on seeing the pajama parade and rally that was staged downtown last Friday night was heard to remark: "Why, I thought the University of Montana was a coeducational institution!"

On Friday evening, November 16, the night before we go to Bozeman, a gigantic rally (bonfire, fireworks 'n' everything) is planned. What are you going to do about it, girls?

Shows Up at the Rally

Dear Maw: Well here I am in bed, I've got a bad cold in my head, And "Doc" LeClaire, the head nurse, said I'd have to take some medicine. She brought me up some awful stuff, One sniff of it is sure enough To break a cold; it's worse than "Rough On Rats."

I don't know where I got this cold, I guess it's 'cause your girl got bold, And marched to Kelly's where they hold All the football rallies. And Maw, what makes me so darn mad, I was the only girl who had School spirit enough to march all clad In a nightie-gown.

The gang formed at the campus gate, Just as the tower clock boomed eight, We started out a wee bit late, 'Cause the band had not lined up. The boys were all dressed in pajamas, Some worse their dad's and some their gran-ma's, We marched down past the Delta Gamma's House on University street.

But Maw, I didn't really know 'Til after it was over tho,' That only MEN were s'posed to show Themselves dressed in their nightie-gowns. And Maw I think I win the wreath, 'Cause I was chilled clear to the teeth, The boys wore something underneath, I didn't.

So Maw, now your poor daughter's sick, And here in bed she'll have to stick, Just because she played the hick, And showed herself to ill advantage. But Nurse LeClaire's a good old scout, Every morning she comes out And gives me aspirin for my gout, And says that I'll be well again.

Next letter, Maw, I hope I'm well, Your suffering daughter,

WOMEN'S COSTUME BALL DECLARED A BIG SUCCESS

Clever, Elaborate Costumes, Snappy Stunts and a Disguised Man Make Co-Ed Prom Best Ever

Oriental costumes, glaring and bold, marked the Co-Ed prom, the annual University women's party held in the men's gym Saturday night. Cider, doughnuts and ice cream sold readily during the dancing, and served as a supplement to the stunts put on by the residence halls and sororities.

North hall, with a take-off on the Ford machine, won the prize, an Oriental vase, for the cleverest stunt. Craig hall, representing a wild west show in one act, and Kappa Alpha Theta, with a real story-book ball, received honorable mention.

Cora V. Chaffin was awarded the prize for the prettiest costume, receiving a bouquet of paper roses, with small notions of needles, thread, etc. She was garbed as a shepherdess. Elizabeth Joyce received a chiffon sashet bag of roses for the most original costume, being disguised as a silver dollar.

The judges were Mrs. Harriet Sedman, Mrs. Burleigh Miller, Mrs. C. H. Clapp, Miss Maude Gwinn and Miss Helen Gleason.

Al LeClaire and his orchestra furnished music for the dancing after the stunts. Only one man was reported present, garbed as a woman, but he left mysteriously during the dancing.

Mrs. Seymour Thomas, district delegate of Alpha Phi, left this morning for her home in California. En route she will visit in Seattle.

Freshman Team Has But One More Game

The only game left on the schedule of the victorious Grizzly Cubs is that with the Varsity set for November 24, although Coach Harry Adams is negotiating for a game with the Hubs, a professional eleven of Butte. Adams says that there will be no game with the University of Washington Frosh this fall.

The Cubs came out of the stiff struggle with Idaho with few injuries. Sweet, big halfback, hurt muscles in his leg in the second half, but is all right now. Fletcher sustained a minor injury which will not keep him out of the scrimmage games with the Varsity this week.

The Cubs came through with a clean slate this year, taking all four games on their schedule, and can rightfully claim the yearling championship of the Northwest conference if the Washington State college freshmen defeat the University of Washington yearlings next Saturday when the two eleven's tangle at Pullman. Unless the dope is upset the Cougar frosh, who were trounced by the Cubs at Pullman two weeks ago, should easily defeat the Washington U yearlings, who have already been defeated by Bellingham Normal college. The following Saturday, November 17, the Cougar frosh tackle the University of Idaho frosh at Moscow. These two teams should be evenly matched, although the Cubs defeated the Vandals worse than they did the Cougars. The Cubs had the advantage of tackling the Idaho crew on Dornblaser field.

CALIFORNIA BASKETBALL PROSPECTS ARE GOOD

Univ. of Cal., Berkeley, Nov. 1.—With a promising prospect for a successful season the California Varsity basketball team will begin work next Monday. Five letter men will serve as a nucleus for the team and will fill the positions of the five men lost from last year's squad. Captain John Talt, considered by many the premier forward of the Pacific coast conference, is certain to hold down one of the forward positions. The other letter men returning are Aub Kincaid, standing guard; Harold Huovinen, forward and center, and Albert Kyte and Harold Belasco, running guards.

WASHINGTON STATE COLLEGE HAS AESTHETIC DANCING FRAT

Washington State College, Nov. 1.—(P.I.N.S.)—Something new along honorary fraternity lines is the Orchestis club, an interpretative dancing organization consisting of 13 co-eds as charter members. The club has for its purpose the revival on the campus of dancing as a real art. Members are chosen for their originality, love of dancing, and skill in interpretation.

DEBATERS MAKE PLANS AT MEETING THURSDAY

"World Court" Will Be Question Discussed at Session in Library Building Thursday

Nearly 30 men were present at the meeting of students interested in debate, in Room 305 Library building, Thursday evening.

The type of question to be used for this year's debating was discussed and several possible questions considered. It was decided that the group hold regular meetings twice a month for discussion in open forum, giving every man an opportunity to debate. It was decided to hold the first regular meeting next Thursday night at 8 o'clock in the same room. The topic to be discussed is "The World Court." An invitation to the meeting is extended to all those interested in debate by Debate Manager Russell Niles.

TO REORGANIZE STAFF OF CALIFORNIA COMIC

Univ. of Cal., Berkeley, Oct. 31.—California's humorous monthly, The Pelican, is to have its staff reorganized if the new program proves feasible, according to the announcement made by Editor F. A. Fender, '24.

The object of the reorganization is to make it possible for the editor to choose the material for the publication out of a larger number of contributors than formerly. In this way, Fender says that he will be able to give the campus better humor and at the same time make it more representative of the student body as a whole.

John Ryan, a freshman from Wisconsin, was suddenly taken ill about 2:30 Monday morning and removed to St. Patrick's hospital. Doctors reported later in the day that he was improving and that an operation was not necessary.

William Wilson, '22, who registered for a post graduate course in languages here, has withdrawn and left for his home in Sand Coulee.

EMPRESS

Nov. 6, 1923.

Dear Myrtle:

I want to write you again about this picture at the EMPRESS, that's making such a big hit. It's "THE SPOILERS" by Rex Beach. I know you've seen it already, but there's a lot of your friends that haven't and I'm counting on you to tell them about it and that they shouldn't miss it, on any account.

It ain't just that I recommend it, Myrtle, but every place it has been it has scored a knockout and that's why I'm running it for six days.

We ain't very well fixed for logs at the Empress, but that won't make very much difference. There won't anyone have any time for anything else but looking at the picture it's that thrilling.

As you know, Myrtle, we are charging 50 cents for this picture. That's because the people we bought it from insisted that we charge this price. But I'm telling you honestly that I think it's worth every mark of it. As Rex said to me in Hollywood last year, "You know what I like, Heinie."

Arnoldson Says Tourists in 'Frisco Misinformed

"American tourists visiting the Italian, French, and Spanish quarters in San Francisco are misinformed as to the real customs of the different nations represented there," reports Mrs. T. Arnoldson, French instructor, who visited there this summer while taking post graduate work at Berkeley.

"People living in the different colonies pay the natives to exaggerate the customs for the tourists' benefit because the Americans are good spenders," she said.

Mrs. Arnoldson had dinner one evening with Dick Underwood, '23, in a typical French restaurant where everything was served in the native way.

Mrs. Arnoldson also saw Professor Sisson, former president of the university, who is now exchange professor at Berkeley.

A maiden boarded a midnight car, And fiercely grasped a strap, And every time they hit a curve, She sat in a different lap.

The hills grew higher, the turns grew worse

At last she gasped with a smile, "Will someone kindly tell me, How many laps to the mile?"

(Vox Lyce.)

"How kind of you Ross, to bring me these lovely flowers. They are so beautiful and fresh. I think there is some dew on them yet."

"Yes, Ruth, you're right, but don't worry; I'm going to pay it off tomorrow."

I stalled a girl on Centre street; In the park I kissed her; But Lord, I took her home and found She was my sweetie's sister!

STUDENTS HOLD RALLY BEFORE WHITMAN GAME

A noisy pep rally took place Friday night as a preliminary to the Whitman game Saturday. The students began to assemble about 7:30 on the campus in front of Main hall and a few minutes later, led by the Grizzly band, they formed a line single file and marched down University avenue to Gerald and on down town. Many different kinds of costumes were in evidence in honor of the occasion, and if noise is a sign of success the affair went over big.

The band played several selections down town and speeches were in order from Coach Stewart and different members of the team. An impromptu fife and drum corps led the stragglers back.

Chester Dixon, Harry Houle, Duncan McDonald and Molly McSpadden left Saturday night for Seattle. Dixon and Houle intend to sail from there for the orient.

Hey, Buddy, listen! Armistice Day this year is on Sunday, so we are going to put over the big dance on Saturday, the 10th.
It has been our custom to have two halls, but owing to changes we will have only the Elite for the servicemen's dance.
Don't pass up this one, as the committee is leaving nothing undone to make this the biggest Armistice dance yet.

GRIZZLIES VICTORIOUS OVER WHITMAN TEAM

counter of the Whitman aggregation. He also kicked goal. Score: Montana, 9; Whitman, 7.

Grizzlies Score Again

After the kickoff Montana romped down the field only to be stopped on the 29-yard line when Bartholomew intercepted a pass. Both teams resorted to a punting game in which Montana had the edge. Griffin collected a stray Whitman pass and came back ten yards. Two end runs by Johnson netted 25 yards. With the ball within a few yards of the goal line Ilman plunged over. Griffin kicked goal.

Ilman was the pillar of strength on the Grizzly offense, though Captain Plummer, Johnson, Silvernale and Griffin played a stellar game. In the forward defense and offense Meagher was the outstanding star. It would be a hard job to pick out those that played the best game in the line. They all played good. Hyde, Ben Plummer, Shaffer, the Dahlberg brothers and Mauldin, all did their share to bring victory to Montana.

The visitors' "deaf and dumb" play fell flat when they tried it as a last resort in the final period.

FRESHMAN TEAM WINS FROM IDAHO YEARLINGS

(Continued from Page 1)

made the second touchdown on a criss-cross, carrying the oval 27 yards through the Vandal team. His punts averaged 38 yards against an average of 31 for Hutchinson of Idaho.

For Idaho, Hutchinson at quarter, Sharpe at tackle, and Pierson at end looked the best. Hutchinson threw all of Idaho's passes and did the punting. He completed 10 of 27 attempts. As a team the Cubs appeared to be better trained and to have greater knowledge of football than their heavier opponents.

Idaho Passes.

In the second half when Idaho began the aerial assault, they completed several passes for substantial gains, but the Cubs soon solved this method of attack and in the last quarter the majority of the Vandal passes were either intercepted or grounded.

To start the contest Kelly returned the opening kickoff 24 yards, but the Cubs lost the ball when a pass was intercepted. Burrell recovered an Idaho fumble after Idaho had brought the ball to the 15-yard line. Sweet was thrown for a two-yard loss, but Kelly sped around left end for a touchdown on the fake criss-cross. Placed kicked the goal. After Idaho had received the kickoff and lost the ball when the stiff Cub defense held, the Cubs carried the oval to the 26-yard line on gains by Place and Kelly, and Sweet dashed through the Idaho defense for a touchdown on a criss-cross. Place kicked goal.

Idaho Scores.

In the third quarter, the Cubs advanced the ball to the 35-yard line, where Place's first attempt to kick a field goal failed. Montana came out the best in a punting exchange between Hutchinson and Sweet, and Kelly returned a punt 47 yards. Passes to Place and Sweet brought the ball close to the Idaho goal and the former kicked a field goal from the 20-yard line. Idaho scored its lone touchdown in the third quarter when they pushed the oval over on four stiff line

plunges after bringing it to the two-yard mark on a series of short gains through line-plunging, a 10-yard pass, and a penalty. Putzier kicked goal.

In the fourth quarter Kelly sent a 41-yard pass to DeVeber for a touchdown shortly after the kickoff. Place kicked goal. Place and Crimmins intercepted two Idaho passes late in the quarter when Idaho threatened, and Sweet sent a 56-yard punt to the crosspiece of the Idaho goal posts when the Cubs could not advance the oval. Place's field goal from the 31-yard line ended the scoring for the day.

COOLIDGE APPROVES AIMS OF FORGET-ME-NOT DAY

Sends Endorsement to J. A. McFarland, National Commander of Disabled Army Veterans

Heartily approval of the aims and purposes of the National "Forget-Me-Not day" was voiced in a letter sent to National Commander James A. McFarland, of the Disabled American Veterans of the World War, by President Calvin Coolidge. The nation's chief executive wrote the national commander of the Disabled Vets as follows:

"White House, Washington, D. C.

"My dear Commander McFarland:

"I want to express to you my hope that the observance of Forget-Me-Not day by the Disabled American Veterans of the World War, on Saturday, November 10, will be generously supported by the public.

"The thousands who bear the scars of the war will always hold their place in the hearts of the American people. You can be assured that those in places of national responsibility are striving to the utmost to aid and compensate them, so far as compensation is possible. Your organization has shown a fine spirit of co-operation with the government instrumentalities engaged in this difficult task, for which I am glad to express appreciation.

"Most sincerely yours,

"CALVIN COOLIDGE."

Coolidge Honorary Chief.

President Coolidge has also accepted the position as honorary president of the great national citizens' committee.

Possessing the generous and sympathetic support of the president, "Forget-Me-Not day" has become an annual occurrence and is said to have taken its place among the great days of the year. The members of the local chapter of the D. A. V. have determined to make this year's drive the greatest ever held in Missoula. The business men of the city are giving much aid to the cause and many of the women's organizations on the campus of the State University are expected to be in line when the drive begins at 7 o'clock next Saturday morning.

Margaret Garber, 25, spent the week end at her home in Plains.

Badly Discolored Eye Is Believed Indicative of Wild Night in Gym

Her head swathed in bandages, one eye badly discolored, and the smile on her pretty face saddened by the pain of bruises and cuts, Miss Myrtle Shaw, together with two equally decorated girl companions, definitely denied any part in the alleged riotous festivities held Saturday evening in the men's gym. Her further denying that she had been mysteriously attacked or that she could identify or give the names of any of the party's assailants, gives the authorities, it is claimed, cause to believe that the pretty co-ed is shielding a sweetheart or friend.

Considerable sympathy for the unfortunate girls who so systematically arrived at the Alpha Chi Omega house late in the evening, suffering from severe cuts and contusions of the face and body, is held throughout the campus. Several close friends working on the case seem to be no nearer the solution of the mystery than the girls.

The Confidence Of the Public

There is a basic principle on which every business enterprise hinges which may concretely be defined as the confidence of the public in that enterprise. No business can survive or grow without it any more than the body can live without nourishment.

From the beginning we have endeavored to gain this public confidence by always giving the public highest values for their money.

Uniformly good values through twenty years of service to the public have inspired complete public confidence in us, and because of this confidence we have grown from one small store to 475 Department Stores all over the country where highest values always prevail.
